# Hope Elementary School School Accountability Report Card Reported Using Data from the 2018-19 School Year Published During 2019-20 

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2019-20)

Hope Elementary School District is a rural, single-site school district located just southeast of the city of Porterville, with approximately 240 Transitional Kindergarten through eighth grade students served. Originated in 1892, the school district is one of the few single-school districts in the county serving a TK - 8 student population in self-contained classrooms. Parents, students, and family members report a shared feeling of comfort, safety, and appreciation for the small school, family-oriented approach of Hope Elementary School District. Our school community has made it a priority to provide Hope Elementary School students with the very best 21st century education possible. Our staff is committed to making this school year another exciting and successful experience for each of our students. However, with the growing changes in education and the many obstacles faced by school districts statewide, Hope Elementary School realizes the ever-present need to foster and build upon our valued partnerships to be equipped to face those challenges with the tools needed to achieve our goals and make our vision a continued reality. Hope Elementary School is dedicated to serving each student's individual needs, as well as reaching our overall academic goals. We realize that every student matters and thus we created our mission statement, "Every Child, Every Opportunity, Every day". At Hope Elementary School, we provide the essential components of a quality school program, a rigorous academic curriculum to challenge and meet the academic needs of all our students, but we also help each student discover the talents and gifts that exist inside of them and how sharing those attributes builds a better world around us. Board members, staff, parents, students, and community members are committed to continued improvement and working together to make this school an extraordinary place to be.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Teacher Credentials

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. *Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: August 2019
Hope Elementary School District follows the the schedule of the State of California for the adoption of K-8 instructional materials. All students have access to their own textbooks that are aligned to state adopted frameworks. Teachers are encouraged to report any deficiencies or shortage of textbooks so they can be replaced.

The staff, the School Site Council (SSC), and the school board previews textbooks on the State Board of Education's approved list.
Books are then placed on display for parents to preview with opportunity for input. The textbooks selected are sent to the board for
final approval.

Each classroom is connected to the Internet. Grades TK-1 have 4 computers in each classroom, 2 nd-8th grades have 1 computer
for each student that are capable of accessing the Internet. Plans for TK-1 to be 1:1 with computers will be completed in 2019.

## School Facility Conditions and Planned Improvements (Most Recent Year)

The Facilities Inspection Tool was administered during the August 2018 Williams visit. All facilities were deemed to be clean and in good repair. Daily maintenance is completed to keep the facilities in good repair. The district's Maintenance, Operations, and Transportation supervisor is responsible for inspection and planning for repairs and maintenance upkeep and provides a monthly report to the Board of Trustees. The overall rating of the FIT performed August 16, 2019 was 100\% with a school rating of exemplary.

## School Facility Good Repair Status (Most Recent Year)

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February $1,2021$.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

## Opportunities for Parental Involvement (School Year 2019-20)

There are many opportunities for parents to become an active member of the Hope School community. One of those ways is by becoming a member of the Hope Parent Club. This group of parents meets monthly to plan activities to raise money for student activities and learning opportunities. Another way we include parents to be an active participant in their child's education is by getting them involved with School Site Council and ELAC. The meetings are open to all parents and community members. We offer many school activities throughout the school year that involve parents having fun with their children at school. The Hope School Carnival is well attended by parents and the community. Parents are also encouraged to volunteer in their child's classroom as well as attend any field trips their child participates in. Monthly, we have all school assemblies where parents are invited to watch their child be recognized by staff members. In addition to these things, Hope School manages a Facebook page where parents are kept abreast of school activities and can see what is happening in their child's classroom on a regular basis.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## Suspensions and Expulsions

## School Safety Plan (School Year 2019-20)

The School Safety Plan was a collaborative effort between administration, teachers, parents, and law enforcement. The plan was approved by the School Site Council on February 6, 2020 as well as approved by the Board of Education at it's regularly scheduled meeting on February 12, 2020.

Key elements of the plan include: Crisis Response Initial Actions; Duck and Cover, Shelter In Place, Lock Down, Evacuate. These drills are practiced monthly at different times of the day. Notes are taken as to what needs to be improved upon and those details are shared with all staff. At staff development meetings, administration reviews key elements of the document so that it is not just a stack of papers but a living and breathing document that we refer back to in emergencies. Over the summer of 2019, all staff were trained in A.L.I.C.E. (Alert, Lockdown, Inform, Counter, Evacuate) strategies.

| Number of school days dedicated to Staff Development and Continuous Improvement |  | 7 | 7 |

The district, through use of LCAP funds and creation of meaningful and beneficial goals, has been able to slowly increase the number of professional development days. Typically the district has enjoyed the use of three days at the beginning of the school year and one day in October to attend a Small Schools Conference collectively. The days are used to focus on curriculum training for better implementation in the classroom and for training in strategies and best teaching practices for English Language Learners.

Every Tuesday afternoon after school lets out our staff is involved in Professional Development. The principal leads the professional development in the areas of supporting ELL's, goal setting, data, and best instructional practices. These PD's are followed up by principal walk-throughs, teacher meetings, and in class coaching with teachers. In addition to the Tuesday Professional Development Days, teachers are sent to PD with the Tulare County Office of Education in the areas of improving reading, writing, and math practices.
