

## November 2024

### Superintendent Matta's Message

We had a great month of October! It was jam packed with fun activities and dress up days! Check out the calendar below for everything going on in the month of November. This week is parent conference week. Please make every effort to attend your child's conference. Our teachers put in a lot of work to prepare for your conference to discuss your child's progress in school. This month will fly by and then we will be in December. We have a wonderful holiday performance we are preparing for you! All the details will be coming soon. Please don't forget how important regular and on time attendance is. We are letting our attendance slip and every day of attendance matters!!

### Did you know?

#### Staying Informed

We want to make sure all families are well-informed about what's happening at our school. To keep you updated, we regularly share important information through ParentsSquare, flyers, and our electronic bulletin board, and the calendar that was given at the beginning of the year. These resources are designed to make it easy for you to stay in the loop!

With just one secretary in the office, her day is often spent supporting students and teachers with immediate needs like student injuries, illnesses, and classroom requests. While we're always happy to help, we kindly encourage you to check these communication channels first before calling the school to find the latest updates. This allows our team to better assist everyone throughout the day.

Thank you for your understanding and partnership in making communication smooth and efficient!

NOV.	MON.	TUES.	WED.	THUR.	FRI.

## AROUND THE CAMPUS...

### NOTES:

\*We are going to keep regular attendance at the forefront of your minds. Our regular attendance is dipping and we need your help by ensuring your child is here at school so we can stay on top of our goals!

\*Lost and Found items are piling up. Please check the back gate for your child's missing items.

Agent M and Agent B, showed up on Halloween to get rid of all the aliens at Hope School! You never quite know where the MIB is at!

### PHOTO CAPTION:

Mrs. Martinez and 4 outstanding students shared their experiences of our school culture and growth mindset for success with 50 leaders from the central valley.
